

SALES REPRESENTATIVE

Southern Star Windows is a large privately owned Australian company which specialises in the design, manufacture and distribution of an exclusive range of quality aluminium and timber window and door systems. As an organisation experiencing rapid growth throughout Australia, Southern Star Windows has built a sound reputation for outstanding quality and exceptional customer service.

Reporting to the State Sales Manager, we are looking for a dynamic Sales Representative to drive the strategic development and growth of a significant customer base, primarily in the Wondonga, Albury and surrounding areas. The successful candidate will have a proven ability to manage key account customers, actively seek new business and be goal oriented with a drive to achieve the company's objectives for sales, profit and growth.

Lateral thinking, excellent communication skills and the ability to manage time effectively and efficiently are all key attributes for this role as is a dedication to providing total customer service. A background in the building products industry will also be an advantage.

An attractive salary package including a fully maintained company vehicle, mobile phone and home fax will be negotiated to secure the best applicant.

Written applications, including your resume and details of three referees, should be forwarded to

Southern Star Windows,
State Sales Manager
